602-362-PIPE (7473)

Rigid Aluminum Pipe

- Up to max. 8" (200mm) diameter.
- High-quality powder coating available in blue, green and gray. Additional colors can also be supplied.
- Designed for compressed air, vacuum, and inert gases.
- Light-weight & corrosion-free.

Aluminum Pipe Connectors

- Quick-connect design.
- Superior reliability & longevity.
- Largest selection of fitting configurations.
- Modular & reusable.
- 100% recyclable & non-flammable materials.

Aluminum Quick Drop Fittings

- Quick installation to main ring.
- Can be used vertically or horizontally.
- Design does not allow water to enter downstream points of use.
- Configurations allow for multiple drop connection types. e.g., hose reels.

Ball & Butterfly Valves

- Quick connection.
- Available for NPT thread, flange, and quick connection types.
- High-flow design ensures optimal performance.

Flexible Hoses

- Suitable for compressor & equipment outlets to absorb vibration.
- Allows for expansion and contraction of the pipe system.
- Bypass obstacles.
- Resistant to mineral or synthetic lubricated oils.

Tools & Accessories

- Suitable for various pipe systems.
- Used for a variety of installation methods, e.g., wall, beam, roof, channel, rod, etc.
- Designed to work best with AIRpipe products.
